REBUILDING TOGETHER DAYTON, INC.

NOTES TO FINANCIAL STATEMENTS

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of accounting policies of **Rebuilding Together Dayton, Inc.**, (the "Organization"), is presented to assist in understanding the Organization's financial statements.

Nature of Business - Rebuilding Together Dayton, Inc. is a nonprofit organization which provides free repair and renovation services to low income, disabled, and elderly homeowners.

Basis of Presentation - Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*. Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The Organization has no temporarily restricted or permanently restricted net assets as of December 31, 2007 and 2006.

Financial Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Functional Allocation of Expenses - The costs of providing the various programs and other activities have been summarized on a functional basis in the Statements of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Contributions - Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

Donated Materials and Services - Significant services and materials are donated to the Organization by various individuals and companies. Donated materials are recorded at fair market value at the date of donation. Donated services are recognized as contributions in accordance with SFAS No. 116, *Accounting for Contributions Received and Contributions Made*, if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization.

Grants Receivable - The Organization considers all grant receivable balances to be fully collectible based on historical experience of collections. Therefore, no allowance for doubtful accounts was considered necessary at December 31, 2007 and 2006, respectively.

Fixed Assets - Fixed assets are stated at cost or the fair market value of donated assets and are depreciated over the estimated useful life using the straight-line method. The Organization's policy is to capitalize all major expenditures in excess of \$500. Routine maintenance, repairs, and renewals are charged to expense as incurred. Renewals and betterments which substantially increase the life of fixed assets are capitalized. At retirement or sale, the costs of the assets, less related accumulated depreciation, are removed from the accounts and the resulting gains and losses are included in income.

NOTES TO FINANCIAL STATEMENTS

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Tax-Exempt Status - The Organization is operated as a nonprofit organization and is tax exempt under IRS Code Section 501(c)(3). Accordingly, no provision for income tax is presented in these financial statements.

NOTE B - LINE OF CREDIT

The Organization opened a line of credit with Fifth Third Bank for \$10,000 in 2007 to meet a grant requirement. The line of credit is unsecured and has a fixed rate of 10.24%. The line of credit was not used in 2007.

NOTE C - DONATED MATERIALS AND SERVICES

A large number of unpaid volunteers have donated substantial amounts of time on the repair and renovation of homes. With the exception of the donated services of electricians, plumbers, and carpenters, no amounts have been reflected in the financial statements for these donated services because the criteria for recognition of such volunteer effort under SFAS No. 116, *Accounting for Contributions Received and Contributions Made*, has not been satisfied. The value of this volunteer labor that was not reflected in the financial statements has been estimated at \$275,120 and \$251,245 for the years ended December 31, 2007 and 2006, respectively.

The following donations have been included in the accompanying financial statements.

	<u>2007</u>	<u>2006</u>

Total	<u>\$ 59,481</u>	<u>\$ 56,646</u>
