- **The new RTD video is complete!** Take a look at it on our website at [www.rtdayton.org](http://www.rtdayton.org), or request a cd-rom from the RT office. Mike Kurtz from the Media Production Group at UD did an outstanding job!

- **Rebuilding Day procedures** - The warehouse, located at Woodwright Lumber, 23 Walbrook, will be open Saturday morning at 6:00 a.m. for supply pick-up by house captains. House captains may also make arrangements to stop by on Thursday and Friday this week to pick up materials.

- **Volunteer Coordinator reminder** - The warehouse phone line (275-5959) will be staffed by Rosemary Dannin, Neighbor•Care Director, on Rebuilding Day. If you have any questions or need additional supplies, please give her a call.

- **Safety First!** Don't forget to assign a Safety Monitor at your site before the work is started. The Safety Monitor is to wear the **RED** RT shirt and be the "watchdog" for a safe worksite.

- **New intern at the RT office** - Saffa al-Hamdani started an internship at the RT office on T/Th afternoons. Saffa is a junior at DECA, Dayton Early College Academy, right down the street. Saffa has been busy assisting with Rebuilding Day preparations.

- **Sponsorships still available!** It's not too late to sponsor a house for Rebuilding Day. Donations may be sent to Rebuilding Together Dayton, 1056 Brown Street, Dayton, OH 45409. Sponsors appear on house signage, on our website, as well as in our brochure and the thank you ad in the Dayton Daily News following Rebuilding Day. Any questions, call Amy at 229-4893 or email her at [amy@rtdayton.org](mailto:amy@rtdayton.org).
